Fallen Hero's Dream Ride

The Missouri Military Memorial Foundation, a non-profit, 501c3 organization, was founded by Chris Andrews for the sole purpose of building a memorial for the fallen heroes of our state. The organization is mostly made up of family and friends of those servicemen and servicewomen who were killed in action or a casualty of war during Operation Iraqi Freedom, Operation Enduring Freedom or the Desert Storm/Desert Shield Wars.

We feel the association with your organization is a good fit as LCpl Phillip Vinnedge is one of our heroes. We have events from time to time throughout the year and once Phillip's Dream Ride is completed, we would be honored to have it on display at one of those functions and tell his story. We would also like to display your information on our website and appreciate that you have done so for us.

Please let us know if there is anything we can assist with; we look forward to a mutually beneficial association with your organization and hope that you can possibly attend some of our meetings and/or events as well.

Very sincerely,

Chris Andrews
