Jason Vinnedge
Fallen Hero's Dream Ride

The Tragedy Assistance Program for Survivors (TAPS) deeply appreciates the support of The Fallen Hero's Dream Ride. Lance Corporal Phillip Vinnedge, United States Marine Corps, made the ultimate sacrifice in service to our Nation.

His legacy of courage, commitment, patriotism, and devotion to family, friends and country will endure the test to time. He truly was the very best of America's ideals and strength. The Fallen Hero's Dream Ride captures the indomitable spirit of Phillip's character and his determination to help others.

It is with great respect that the TAPS Family expresses a special thank you to the donors, sponsors and to all those who have help make this dream a reality.

Best regards,

Ronald E. Spratt, USMC (ret)
